Town of Wawayanda (in-kind construction services)

Site Accessible to the Public? Yes. Visible from intersection of Jared Court and Ethan Way

Contact for Permission to Visit Site: N/A

Other Details/Comments:

This Rain Garden is at the OCLT's Hunter Farm Preserve off Wawayanada Avenue in the Town of Wawayanda. Three new catch basins were installed to divert street runoff from existing storm sewer to new Rain Garden. Native soil was utilized for the RG floor. An underdrain was provided. All plants were native. Landscape fabric and stone mulch was chosen to reduce future maintenance. For more information, contact kevin.sumner@ocsoil.org or karin@oclt.org.
